Executive Summary

Introduction

The Gandhigram Rural Institute (GRI) traces its origins to 1947, the year of India's independence. Gandhigram, a village purposely named after the father of the Nation, was established by a team of disciples of Babuji, led by Dr.T.S.Soundram and Dr.G.Ramachandran with a view to providing higher education to the rural youth and to train them as social engineers who would serve the rural masses and contribute to the reconstruction of rural India.

The Gandhigram Rural Institute (GRI) was established in the year 1956, under the auspices of the National Council for Rural Higher Education (Ministry of Human Resource Development / Ministry of Education, Government of India) as one of the 11 Rural Institutes established in various parts of the country. Right from its inception, GRI has founded its educational principles on the revolutionary concept of *Nai Talim*, a new system different from the mainstream of western higher education in India, with extension as the central focus, linking teaching and research.

While all the other 10 rural institutes got affiliated to their neighbouring universities, GRI established its name by steadfastly pursuing its mission of taking higher education to the rural masses. This Institute has its genesis in the extension programmes conducted in the rural environs which made extension as the pivotal component of education.

GRI, since its inception, has been rendering yeomen service by empowering the rural populace through educational and extension services. The educational model blended with Gandhian ideologies was recognized as a pioneering practice to educate and train social architects for integrated rural development. In recognition of its noble and relentless services rendered in the realm of the triangulated dimension of higher education, namely, teaching, research, and extension, GRI was conferred with the status of a Deemed to be University in August 1976 by the University Grants Commission. The Institute is governed by the Ministry of Education, Government of India, and is fully funded by the University Grants Commission, New Delhi.

The curricular model developed at GRI integrating teaching, research and extension earned the Institute the status of a Deemed to be University in 1976, from UGC. GRI was one among the two universities in Tamil Nadu accredited with the Five Star Status by NAAC in 2002 (1st Cycle). Subsequently, it was accredited with 'A' Grade in the 2nd and 3rd cycles in 2010 and 2016 respectively. In the NIRF ranking ladder, the institute was placed in the rank band 151-200 among universities of the country in NIRF 2022; GRI has been ranked the rank band 101-150 in NIRF 2021, 91st in 2020, 75th rank in 2019, 79th rank in 2018 and 91st rank in 2017 among universities.

The functional framework of GRI is deep-rooted in Gandhian ideologies of education and extension and its core objectives are: *to provide instruction and training in such branches of learning as will promote a classless and casteless society; to provide for research and advancement and dissemination of framework; and to function as a centre for extension work leading to integrated rural development.*

GRI has **eight** schools, **eighteen** departments and **nine** centres, apart from the Central Library, Physical Education and DDU-Kaushal Kendra. Under this academic setup, GRI offers **62** academic programmes ranging from certificate courses to doctoral programmes. As per statutory requirements, select programmes offered by GRI are approved by AICTE and NCTE.

The quality of teaching and learning at GRI is assured by **99** well-qualified, experienced and committed faculty members. The vigour of research on campus is promoted by **336** research scholars and **3** post-doctoral fellows. As many as **69** permanent non-teaching and technical staff offer support to teaching, research and extension activities. To meet the needs of the ever increasing student strength, **150** Adhoc teachers have also been appointed.

Academic Programmes

The curricular design of the programmes offered at GRI pivots on the graduating students' core and allied skill development with due provisions to imbibe social and cultural values and help the students emerge as social architects. The institute is determined to develop socially responsible and professionally competent graduates to meet the demands for human resources in educational, industrial, research and development and social service sectors. The institute offers mandatory value-based courses on "Gandhi's Life, Thought and Work" and "Gandhi in Everyday Life" in order to implant Gandhian values in the younger generation.

During 2023-2024, GRI offered 22 PG (2 years), 6 PG Diploma (one year), 2 Five-year Integrated, 5 UG (4 years), 11 UG (3 years), 8 B.Voc. (3 years), 3 Diploma (2 years), One Diploma (1 year), 2 D.Voc. (1 year) and One Certificate programmes apart from B.Ed. Programme. The Institute follows the UGC's Choice Based Credit System (CBCS) regulations. Out of the **1403** students who appeared for the End Semester Examinations, **1355** passed, constituting a pass percentage of **89**. The number of Ph.D. degrees awarded during the year was **88**. The institute has been following the semester examination pattern since 1976. The Choice Based Credit System (CBCS) is in practice since 1996.

Admission

Gandhigram Rural Institute adopted online admission system and was able to reach graduating aspirants from across the country and beyond, during **2023-2024**. The number of applications received through online registration was **9723**. Out of this, **1477** students were admitted to various academic programmes offered during the year. As in the previous years, female students have outnumbered male students. Though the majority of enrolled students are from Tamil Nadu, GRI has also attracted students from other states of India, namely the **Bihar, Kerala, Lakshadweep, Pondicherry, Telengana, and West Bengal**. The enrolment for Ph.D. programmes was **73**. GRI follows the reservation policy of the Government of India as well as the norms laid by UGC. Admissions are strictly based on merit.

Funded Research Projects

Funded projects are a functional entity of the research culture and climate of a higher educational institution. The faculty members of GRI submitted **82** project proposals to funding agencies, namely, UGC, DST, CSIR, ISRO, BRNS, IRMA, ICSSR, RGNID, DRDO, DBT, ICMR, PCRA, KSCSTE, NISE, AICTE, MNRE, NBHM and State Planning Commission, Tamil Nadu with a total budget outlay of Rs.**23.42** crores. A sum of Rs.**1.35** crores have been received during the period under report.

At the department level, five departments have received funds under UGC-SAP and two departments under DST-FIST (Level I & II).

Conferences / Workshops / Seminars Organized

Being a vibrant educational and research hub, GRI regularly organizes several programmes to create platforms for knowledge sharing and dissemination on the latest trends and technologies. During the year under report, **111** programmes were organized viz., **3** International Conference, **2** International Workshop, **1** International Training / Special Lecture programmes, **5** International Webinars/Symposiums, **5** National Workshops, **7** National level Training / Special Lecture programmes, **6** National Seminars/Webinars, **7** State level Symposia / Seminars / Workshops / FDP, **3** State level Training / Special Lecture programmes, **5** University/College level Workshops, **5** Training / Special Lecture programmes, **6** University level Seminars / Webinars, **45** University level lecture programmes and celebrations and **11** Regional level sports meets. A total of **9738** participants, covering faculty members, scientists, research scholars, and students have benefitted through these programmes.

Participation in Conferences / Seminars/ Workshops / Faculty Development Programmes

The faculty members are encouraged to augment their domain knowledge, and share and upgrade their expertise by participating in academic and research platforms. They have participated in **145** such programs and have presented **77** research articles. Towards knowledge dissemination, faculty members delivered **68** keynote addresses and **197** invited lectures.

The Institute periodically arranges faculty development programmes and workshops aimed at quality enrichment. Nine faculty members attended Refresher Courses, five faculty members attended Short Term Courses / Orientation / Workshop and three faculty members attended Faculty Development Programmes conducted by Human Resource Development Centres of various universities.

Research Publications

Research is an important dimension of higher educational institutions. In this regard, GRI is putting in its best efforts to enhance its visibility through quality research publications. The faculty members have brought out **270** publications in reputed and refereed journals, including those listed by the UGC during **2023-2024**.

The bibliometric details of the publications up to **2024** are: **3309** Scopus (h-index: **100**) and **2728** by Web of Sciences (h-index: **92**). Additionally, **71** Conference Proceedings, **25** Books, **10** Edited Books and **83** Chapters in Books have been authored by the faculty members. GRI promotes research publication culture among the researchers through its two journals, namely, *Journal of Extension and Research* (ISSN: 0972-351X) and *Gandhigram Literary Review* (ISSN: 2278-8190).

Visits Abroad & International Associations

The quality of research in GRI has been opening up newer avenues for collaborations / associations with Universities / Colleges overseas. **One faculty member was invited to UCSI University, Malaysia during the year under report.**

Research Fellowships

A total of **42** research scholars received funds under UGC-RGNF, UGC-MANF, UGC-EMERITUS, UGC-DSRPDFHS, UGC-SGC, UGC-PDFSS, UGC-PDFWM, UGC-JRF, UGC-SRF, CSIR-SRF, UGC-BSR, UGC-SVSGC, UGC-SJRPFGC, DST-PDF, DST-Inspire, ICSSR-PDF, ICMR and other schemes.

MoUs and Collaborations

In **2023-24**, GRI has signed **10** MoUs with reputed educational institutions/organizations in addition to **61** collaborations.

GRI has signed an agreement with National Database Management Limited (NDML) for uploading the students' credentials in the National Academic Depository (NAD), and as on date **8215** students have registered on NAD for which a link is provided in the Institute's website. From the year 2021-22 onwards, the NAD is being maintained through DigiLocker and **3077** registered under Academic Bank of Credits.

Extension Programmes

The extension and outreach activities aimed at integrated rural development are the prime pillars of GRI. For this purpose, Village Placement Programmes (VPP) and Extension Activities are amalgamated suitably into the curriculum of all the programmes offered at GRI. The VPP greatly enables the GRI staff and students to get hands-on experience on the problems and challenges of rural life.

Students were placed in the villages as part of Village Placement Programme (VPP) for the academic year 2023-24. However, GRI designed a process and obtained data from the students on their awareness of rural issues. It is considered as methods for "Experiential Learning" which is the prime goal of Village Placement Programme (VPP). The UG and PG students who were

studying for the academic year **2023-24** have participated in the survey. The survey was conducted through online.

As a national recognition, the Ministry of Rural Development, Ministry of Panchayati Raj and Ministry of Drinking Water and Sanitation of the Govt. of India have recognized GRI (DU) as a National Level Monitor (NLM).

Unnat Bharat Abhiyan

UBA 2.0 was launched on April 25, 2018, with the Challenge Mode, wherein all HEIs are required to partner with a minimum of five villages willingly for community outreach. The Ministry of Human Resource Development, Government of India, identified the Gandhigram Rural Institute (Deemed to be University) as one of the Regional Centres for UBA in March 2019 covering the states of Tamil Nadu, Kerala, Karnataka, Andhra Pradesh, Telangana and the Union Territories of Puducherry, Andaman & Nicobar and Lakshadweep.

GRI has adopted nine villages from three Taluks under the Unnat Bharat Abhiyan (UBA) programme of the Government of India. Activities aimed at the upliftment of the adopted villages were carried out under UBA.

Sports, Games & Yoga

To encourage and foster sports and games among the students of GRI, the Centre for Physical Education and Yoga trains the students for intra and intercollegiate sports tournaments. A course on *Sports and Games* is being offered as a foundation course for all UG students. Yoga Education is a non-credit mandatory course for first-year students. The sports teams of GRI won several sports/games tournaments at the state and the regional level.

Awards Won by Faculty

9 faculty members have received awards for their substantial contribution in the arena of Higher Education in terms of their contributions to academics, research and extension.

Governance

The Honourable Union Minister, Ministry of Education (MoE), GoI, is the Chairman of the GRI Society. In 2023-24, the meetings of the Board of Management, the Planning and Monitoring Board, the Academic Council, the Finance Committee and the GRI Society were held.

Finance

During the FY **2023-24**, GRI received **Rs.68,63,11,000/-** having an opening balance of **Rs.9,55,62,219/-** under a maintenance grant, against which the expenditure was made to the tune of **Rs.78,58,13,197/-** and Internal receipts of **Rs.4,68,70,108/-**.

Summing Up

GRI is constantly making its mark in every sphere of teaching, research and extension. Its credentials, recognitions, accomplishments and action-packed strategic plans would undoubtedly facilitate the institution to attain heights of excellence and reach new horizons of quality assurance and sustenance in higher education.

Patents Published / Awarded (overall)

Name of the Faculty Member	Title of the Patent	Level *	Filed on	Published on	Granted on	Patent Status	Patent Number
Dr. K. K. Satheesh Kumar	An Efficient Anode Backfill Based on Ion Conducting Paste and a Process Thereof (App.No: 2536/DEL/2008)	N	07.11.2008	20.08.2010	25.07.2017	Granted	285572
Dr. A Thahira Banu	A Nutritional Rich Chocolate Composition (App.No: 157/CHE/2012)	N	13.01.2012	24.01.2014	11.09.2020	Granted	346611
Dr.K.Jayakumar	Histogram Based Vibration Signature Analysis for the Detection of Ball Bearing Defects non-deductive method invented to find the wear and tear of ball bearing (App.No: 1533/CHE/2015)	N	25.03.2015	30.09.2016		Published	
Dr.R. I. Sathya	System and Method of Apparel Pattern making using scalable vector graphic filters (App.No: 201641022083)	N	28.06.2016	29.12.2017	21.04.2022	Granted	395172
Dr.S.Abraham John	Colorimetric Metric detection of Endosulfan using 3 Amino – 5-Mecapto-1,2,4 – Triazole Capped Gold Nanoparticles (AMTR-AUNPS) (App.No: 201641022088)	N	28.06.2016	09.10.2020	01.11.2022	Granted	410687
Dr.P.Shanmugavaidu	Adaptive Performance Oriented Medical Imaging System (App.No: 201941027396)	N	09.07.2019	15.01.2021		Published	
The Gandhigram Rural Institute (GRI)	Design Application (App.No: 330931-001)	N	10.07.2020	17.06.2022		Published	
Dr.V. Kirubakaran	System for Auto-Gasification of Poultry Litter (App.No: 202141003297)	N	25.01.2021	05.02.2021	31.03.2022	Granted	393957
Dr.T. Kalaiselvi	An Image Processing for Artificial Neural Network using a Novel-e-Tanh Activation Function (App.No: 202141005055)	N	05.02.2021	12.08.2022		Published	
Dr.V.Kirubakaran	Method for Evaluating Liquid Dielectric Characteristics and Feasibility of Pongamia Pinnata Oil as Liquid Dielectrics (App.No: 2021100929)	I	18.02.2021	28.04.2021	28.04.2021	Granted	2021100929
Dr.S.Abraham John	A Method for Removing Highly Toxic HG(II) by Graphene Quantum Dots Coated Carbon Materials (App.No: 202141016448)	N	07.04.2021	20.05.2022	31.01.2023	Granted	419817
Dr.R. Ramasubbu	Design Application (App.No: 352204-001)	N	28.10.2021	17.12.2021		Published	

Name of the Faculty Member	Title of the Patent	Level *	Filed on	Published on	Granted on	Patent Status	Patent Number
Dr.R.Ramasubbu	Heater Box face Mask For kills virus (SARS-Cov-2) and other pathogens (App.No: 364303-001)	N	17.05.2022	13.01.2023		Published	
Dr.V.Kirubakaran,	A System and process for predicting status of the transformer's insulating material and fault (App.No: 202241032399)	N	06.06.2022	17.06.2022	30.12.2022	Granted	415041
Dr.P.Balasubramaniam	System and Method for Generating Enhanced Image From a Low Contrast Image (App.No: 202341042226)	N	23.06.2023	01.09.2023		Published	
Dr.P.U.Mahalingam	A Wound Healing Dressing Material (App.No: 202341044912)	N	05.07.2023			Filed	
Dr.M.Mary Shanthi Rani	Water Safe Smart Watch for Adapting Swim Monitoring (App.No.: 202421015659)	N	02-03-2024	29-03-2024		Published

Extension through Community Outreach

The Gandhigram Rural Institute (Deemed to be University) is being fully funded by the Ministry of Education, Government of India. The UGC, New Delhi has developed academic programs in rural development, rural economics and extension education, rural oriented sciences, co-operation, development administration, rural sociology, English, Tamil and Indian languages. The institute is also offering Engineering, Technology related academic and vocational educational programs.

Gandhigram Rural Institute (GRI) is quite active on both campus and off campus (rural areas) in the vicinity, for mutually benefitting and enriching one another. Besides, its contribution in teaching, from Pre-primary, certificate, diploma, degree and all the way to Post-doctorate levels. The Institute applies the learning from both scientific and social research to solve contemporary rural problems. The curriculum is a combination of theoretical, practical and extension approaches. The Institute has become home to many pioneering models of rural development programmes. The students and scholars who emerge from its portals tend to meet the personnel needs of rural development programmes under various governmental and non-governmental organizations.

The three dimensional approach of higher education namely teaching, research and extension has become a highly celebrated model, earning global and nationwide appreciation. Started in a small way the Institute has evolved into a reasonably large and expansive educational complex comprising of 8 schools, 16 departments and 12 Centres offering various academic and also vocational programs, ranging from certificate courses, to Graduate programmes to Doctoral and post-Doctoral Programmes.

The curricular model developed at GRI organically integrating teaching, research and extension components has earned the Institute, the status of Deemed to be University in 1976 by UGC, the five-star status by NAAC in 2002, 'A' Grade during the re-accreditation in 2010 by NAAC and 'A' Grade in its third cycle of reaccreditation in the year 2016.

Thus the Institute has been taking efforts to design its academic programs in tune with the demands of the society and industry by providing a learner-centric, transparent teaching and evaluation methods. Through the action-oriented research and scientific research, the Institute contributes substantially to the research domains and concentrates on solving the rural issues at micro levels. The participatory and decentralized governance of Gandhigram Rural Institute strives for achieving global standard of excellence in all the dimensions of education without compromising on its rural character and Gandhian values.

In the context of sustainable development, rural extension has a very essential role to play. The responsibilities of Extension Service Providers (ESP) need to be comprehensive and holistic in contents and scope. It is more than the technology transfer. It normally aims at the task of disseminating appropriate technologies and good practices.

Higher Education Institute (HEI) as an Extension agency need to exercise a more proactive and participatory role and serve as Knowledge and Information "Providers", initiating and facilitating mutually meaningful and equitable knowledge-based transactions among community, researchers, trainers, and other stakeholders. The new trends and developments to be integrated in rural extension are concerned with the fields of

- **Approaches and Methods:** Participation and other new approaches in adult education, farmer field schools, market orientation and value chains, livelihood concepts, knowledge and innovation systems;
- **Structures and Organizational Issues:** Privatization, decentralization, partnership and new dynamics in rural development;
- **Extension Aids and Media Use:** Ongoing digitalization, digital photography and video, classical internet services, including search engines, web services, opening up new dimensions of access to information, of e-learning and distance learning, and of networking among professionals as well as among clients.

In this context, it is pertinent to have an understanding of the field level experiences which the GRI as an Extension Service Provider (ESP) planned and managed the Field Outreach and Community Engagement Programmes during 2023-24 academic year. During the year efforts have been made for many academic and field based programmes. It is a major challenge for the various Departments in the GRI to plan and execute the field level programmes. Because, needs of the people in the rural area is more of dynamic due to various reasons such as - increased awareness, technology intervention / support. Hence, there were few initiatives taken up during 2023-24 to reach the village community and also to educate the students on the rural issues through experiential learning through field visits and community engagement.

This Report is a collection of information on various efforts by Centres /Departments / Schools of the GRI during the academic year 2023-24. The programmes and events are organized as part of the Community Engagement Outreach efforts. They are presented in the following section.

Department of Political Science and Development Administration

Profile

The Department, started in 1956, has its focus on democratic decentralization and development administration. The Department of Political Science and Development Administration is a nationally known centre for its academic, research and outreach activities. The UGC under SAP (Special Assistance Programme) gives special grants to the department for research and academic activities. The Department has distinguished retired I.A.S officers and eminent academicians as Adjunct Professors. It has academic relationships with reputed institutions like Tata Institute of Social Sciences (TISS), Mumbai; Institute of Rural Management (IRMA), Anand; National Institute of Rural Development and Panchayati Raj (NIRD&PR), Hyderabad; State Institute of Rural Development (SIRD), Tamil Nadu; and Kerala Institute of Local Administration (KILA), Thrissur. It has a well equipped library, smart classrooms, seminar halls and computer labs for the use of students. The Department of Political Science and Development Administration has been recognized by the UGC for its specialization on Local Governance under the scheme called "Special Assistance Programme" – the first step towards becoming advanced centre of research on Local Governance. It is a national recognition and prestigious status. Now, the department is in the second phase of the programme. Number of research projects and Seminars, workshops, exchange programmes are organised under UGC SAP DRS-II in the Department. All these will help the students in developing their knowledge. Eminent academics are invited from different Universities to deliver lectures under this scheme.

Department of Education

Profile

The Department of Education, Gandhigram Rural Institute is a leading Centre for Teaching, Training, Educational Research and Extension. The Gandhigram Rural Institute (GRI) is granted with recognition by the NCTE courses, B.Ed., M.Ed., B.Sc.B.Ed under the Choice Based Credit System (CBCS). The department has received SoE under the scheme of PMMMNMTT, by September 2018. The GRI is granted with recognition by the NCTE to offer the M.Ed Degree course from 2008-2009 onwards. The students are admitted to the M.Ed Programme through an all India entrance examination conducted at Gandhigram Rural Institute. The Gandhigram Rural Institute (GRI) is granted with recognition by the NCTE to offer the Two Year B.Ed under the Choice Based Credit System from the year 2017-2018, onwards. The Gandhigram Rural Institute (GRI) is granted with recognition by the NCTE to offer the Four Year B.Sc.,B.Ed Integrated come from 2018-2019 onwards. Department of Education, GRI is also offers the Research programme Doctor of Philosophy (Ph.D) from 2010 -2011 onwards. The Department of Education so far produced 15 batches of B.Ed. Teacher Trainees and 10 batches of M. Ed. scholars. 3 Ph.D scholars awarded and 20 Ph.D scholars are at present pursuing research in the department in the major thrust areas of Educational Research. The vision of the Department is to develop and sustain quality in teacher education programmes by integrating the current knowledge and pedagogical principles with the Basic Education programme propounded by Mahatma Gandhiji.

Department of Gandhian Thought and Peace Science

Profile

The Department was started during the year 1983-84 as the Centre for Gandhian Thought and Peace Science. It offered an M.Phil Programme in 'Gandhian Thought and Peace Science' and a Course on 'Gandhian Thought' for all Undergraduate Programmes. The full-fledged Department of Gandhian Thought and Peace Science was established during the academic year 1993-94. The Department launched a three year Undergraduate Programme namely B.A. 'Rural Reconstruction' since 1996-97 till 2005-06 and this Programme was restructured and introduced as B.A. 'Gandhian Social Work' from 2006-07 to 2017-18. A Post Graduate Programme, M.A. 'Human Resource and Conflict Management' introduced since 2003-04 till 2017-18. M.A 'Gandhian Studies and Peace Science' Programme was introduced during the Academic year 2018-19 onwards . Now the Department has been offering the present Post Graduate Programme along with two credit Foundation Course on 'Gandhi's Life, Thought and Work', to all U.G.Programmes and two credit Audit Course on 'Gandhi in Everyday Life' to all PG Programmes, four Credit Inter Department General Elective Course on 'Conflictology and Conflict Transformation to all PG Programmes and One Credit Foundation Course on Shanti Sena is Mandatory for all UG Students during the Academic year 2018 - 2019 onwards. The value added courses namely Human Values and Professional Ethics offering to All UG (Compulsory)& PG Students(Optional) and M.A Five year Integrated Programmes and also the Value Added Course namely Culture of Peace and Nonviolence introduced during the Academic year 2021-2022 onwards for UG during II Semester and for PG Programmes during IV Semester. This is the only Department which offers two year full time PG Programme in Gandhian Studies and Peace Science in the whole of South India.

Department of Sociology

Profile

Establishment of the Department coincided with the conferment of the Deemed to be a University status to the Institute in the year 1976 and carrying out Teaching, Research and Extension activities since its inception. Earlier the faculty of this department engaged in offering the only PG course with a thrust on Rural Society in the Institute namely M.A in Rural Services in which Sociology was the Major Component. The nomenclature of this PG course was replaced with M.A in RS&PR (Rural Sociology and Panchayat Raj). Later the same M.A course was changed as Rural Sociology and finally taking into consideration of the felt needs and future of the students, the PG course was modified and re-named as M.A in Sociology in the year 1990. M. A. (5 Yr. Int.) Sociology programme is introduced during the academic year 2017-18 in the place of M. A. Sociology programme.

The Ph.D. programme was launched in the year 1986 and produced 30 Ph.D. Scholars so far. The M. Phil. Programme in Development Sociology was introduced in the year 1996 with an interdisciplinary thrust and produced more than 100 M.Phil. Scholars and majority subsequently pursued Ph.D. programme also. The Department has organized many Seminars, Symposia and Workshops focusing on marginalized communities and also conducted training programmes for the benefit of NGOs, Government organizations and Community Based Organizations (CBOs) in villages with funding support from UGC, ICSSR, MHRD, UNICEF and NFCH etc. As for extension programmes, the PG students have been involved in various kinds of rural reconstruction activities in the service villages of GRI, by adopting the approach of Micro level Planning (MLP) and assignment of five families to each student to show result oriented extension services during the semester period for which students are to submit the report on extension services at the end of each semester. In addition, sensitization and awareness generation programmes with specific reference to social welfare are taken under the scheme of taking the University to the door steps of the villages by adopting the strategy of reaching the unreached. The extension based development intervention has been undertaken within the broad frame work of Millennium Development Goals (MDGs) and Providing Urban Amenities in Rural Areas (PURA) and Unnath Bahrath Abhiyan (UBA). This exercise is undertaken to link the class room theoretical deliberations with practical field based learning for the students. The social lab/observatory technique adopted in the extension service has made the students to get involved practically in action research based micro level development planning oriented village development endeavors.

The department has also facilitated the establishment of the Centre for the Study of Social Exclusion and Inclusive Policy in GRI with funding support from UGC in the year 2010 during X plan period, initially at a cost of Rs.2 crores and later continued with increased financial support for pursuing inclusive growth through investigations, advocacies, seminars besides teaching, research, extension activities.

Centre for Women's Studies

Profile

The Centre for Women's Studies was established on 25th, September, 2009. The University Grants Commission recognizing its contribution in the development of women has established a women's studies centre at GRI. Women's Studies examine women's contributions to human societies as well as the effect of culture and society on women's lives. The discipline focuses on the conditions of women's lives, both in India and around the world, as well as the historical and theoretical explanations for these conditions. Women's Studies also considers contemporary issues and trends that uniquely affect women and explore how the intersections of gender with factors such as race, social class, and sexuality can influence women's lives. The Centre organized various awareness programmes, seminar, and conferences apart from the teaching, research and extension activities. All the activities are aimed at gender mainstreaming and elimination of gender bias in our society.

Centre for Futures Studies

Profile

The UGC sanctioned CENTRE FOR FUTURES STUDIES was established in our institute under the 7th plan period during 1989 to promote research in multi-disciplinary areas relevant to Rural Development. The vision of the centre is to forge a holistic rural society and the mission includes developing micro level planners through research. The centre has undertaken Ph.D. / Project research in the field of Futures Studies, Sociology, Women Studies, Sustainable Development, Tribal Studies and Environmental Studies. The Centre is offering P.G. Diploma in Sustainable Social Development from the academic year 2019 onwards to understand the basic concepts of Sustainable Development in environmental, social and economic dimensions. UGC allocated three staff for the centre 1 Reader and 2 Lecturers. The Centre is meant for research and pre research programmes. So far, 35 M.Phil., candidates and 17 Ph.D. candidates successfully completed their degree. The Centre has carried out five sponsored research projects and has organized six national seminars and two webinars at national and international level. A total of 11 books, 46 articles in the journal and 70 articles in the conference proceedings were published.

Centre for Study of Social Exclusion and Inclusive Policy

Profile

The Centre for Study of Social Exclusion and Inclusive Policy (CSSEIP), Gandhigram Rural Institute (GRI)-Deemed University was established by University Grants Commission vide its letter No.F.319/2008 (SCT) dated 26th March 2008. It started to function in June 2010 as per UGC guidelines. Since its inception, the centre is marching towards achieving the goal of a more inclusive and just society through teaching, research, extension and networking with the third sectors. So far, the centre has conceptualized and understood the process, nature and forms of exclusion and has identified the excluded communities such as Dalits, Adivasis, Women, children, minorities, ageing population and Transgender etc. located in the vicinity of GRI. Currently, the centre is engaged in identifying the unmet need of policies, the challenges and prospects of inclusive policies.

Department of Physics

Profile

The Department of Physics is DST- FIST supported. It is one of the oldest Departments of the Gandhigram Rural Institute, established in the year 1965. From the inception, the Department has been working for the development of the rural populace by imparting higher level education and job oriented (skill based) training programs for the sustenance of their livelihood. Further the Department has highly enriched scholarly faculties working in frontiers of physical sciences specifically the macro materials (polymer nanocomposites, bio nanocomposite, semiconducting composites) down to nanomaterials like nanostructures, actuators, Nano sensors and also concentrating research on energy storage devices such as supercapacitor, batteries and fuel cells.

Department of Chemistry

Profile

The Department of Chemistry is offering B.Sc., B.Sc. B.Ed., M.Sc., M.Phil. and Ph.D. programmes in Chemistry. The thrust areas of research include Nanomaterials, Electrochemical sensors, Synthetic Organic Chemistry, Environmental Chemistry, Coordination Chemistry, and Corrosion Inhibitors. The Department has also undertaken many research projects funded by DST, DBT, CSIR, UGC and DRDO. The faculty members of this Department have published over 800 Research papers in both international and national journals. The h-index of the department is 62.

Department of Biology

Profile

The Department of Biology was established in 1978. It offers one UG (B.Sc., Microbiology), three PG (M.Sc., Botany, M.Sc., Zoology, M.Sc., Microbiology) and three Research programmes viz., Ph.D in Botany, Ph.D in Zoology and Ph.D in Microbiology. This Department has organized five Refresher Courses and conducted many National and International Seminars & Conferences. This Department is concurrently organizing many Short Term Trainings & Consultancy on Mushroom Technology, Vermitechnology and Spirulina cultivation to the rural poor through projects funded by DBT, UGC & CAPART, New Delhi. The vision of the department is to develop manpower, facilities and infrastructure in the field of Biological Sciences so as to become vibrant in teaching, research and extension. The missions are to offer programmes suitable for the prevailing conditions, to conduct training for the transfer of Biological Technologies, to promote application and value oriented research for rural development and to develop an advanced centre for promoting Biological Sciences.

Department of Home Science

Profile

From the inception the Department of Home Science offered a course on Diploma in Rural Services (DRS). When the Institute became a Deemed University in 1976, the Department gradually introduced B.Sc. Home Science, M.Sc. Home Science Extension and Communication, M.Sc Food Science and Nutrition, M.Phil and Ph.D programme. The Department has produced 52 Ph.D's and at present 17 scholars are currently doing Ph.D on full time and part time basis, out of which two of them are receiving fellowship from UGC and Ministry of Tribal Welfare. The Department has generated Rs. 51 lakhs through funded projects. UGC has sanctioned Rs.51 lakhs for B.Sc. Textiles and Fashion Design under Innovative Programme for a period of five years from 2012 – 2017. The faculty has ongoing research projects for the academic year 2023-24 for a sum of Rs.80 lakhs from funding agencies like NCDC, ICSSR & DSIR. The objective of the Department is to produce able teachers, administrator's entrepreneurs, fashion designers, Nutritionist, Dietitians, and Development professionals. The Department is also working for the empowerment of rural women through curriculum oriented our reach activities.

School of Computer Science & Technologies

Department of Computer Science and Applications

Profile

In the year 1996, the Department of Computer Science and Applications has emerged as a pioneer in imparting Higher Education on Computer Science among the rural students in this part of the country. The Department has highly qualified faculty members with rich experience in teaching and research. The Department offers two Master's programmes namely, M.C.A. since 1995 and M.Sc.-IT during 2020-2018 that lead to rewarding careers opportunities and B.Sc. (Computer Science) for UG Programme since 2019. The department also offers Ph.D. Programme since 2000 and M.Phil. Programme from 2015. Presently, 17 scholars are pursuing their doctoral degrees and 50 scholars have been awarded so far. The thrust areas of research are Digital Image Processing, Medical Image Segmentation & Analysis, Parallel Computing, Object Recognition, MANET, Cloud Computing, Internet of Things, Network Security, Information Security and Bigdata Analytics. The Department also offers Courses on Computer Science for all UG & PG programmes of GRI. The Faculty of the Department handle funded research projects by UGC, ICMR, CSIR and DST and 2 funded projects to the tune of more than Rs. 2 Crores have been carried out. In recognition of its research credentials, the Department has received funds under UGC-Special Assistance Programme (Rs.41 Lakhs + one Project Fellow) and DST-FIST Level-I (Rs.45 Lakhs). To disseminate the knowledge on Computer Science & Information Technology, the Department has successfully organized One International Conference. As part of its Extension activities, the Department promotes Computer Literacy and Education among the rural school teachers and students. It is also involved in devising and developing expert systems for rural development. The Department is a recipient UGC's Indo-US Knowledge Initiative Award on 2015, with a funding outlay of 1.25 crores. The department is acted as a Lead zonal partner in the nationwide project leadingindia.ai in collaboration with Bennett University, New Delhi. Royal Academy of Engineering., UK. Under this initiative, the department to disseminate knowledge through periodic workshops and training programmes on the principles and practices of Artificial Intelligence, Machine Learning and Deep Learning among the academic and research community of GRI and beyond. The number of postgraduate students this year is 102 and the number of UG students is 175 for a total number of students 277.

- ❖ Organic Farming and Sustainable Agriculture
- ❖ Crop Management and Nutrient management
- ❖ Indigenous Knowledge and Ethno-botany
- ❖ Animal Management

Deen Dayal Upadhyay – Kaushal Kendra

Profile

The University Grants Commission (UGC) has launched a specific scheme towards skill development education as part of college/university education, leading to award of Bachelor of Vocation (B.Voc.) Degree (three years). The programmes have multiple exits such as Diploma (one year), Advanced Diploma (Two Years) and Degree level (3 years) under the National Skill Qualification Frame work (NSQF). In tune with the Government of India’s skill mission, Deen Dayal Upadhyay Center for Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood (KAUSHAL) was established in GRI in September 2015. The B.Voc. Programme is focused on skill development of student youth in universities and colleges, providing undergraduate studies which would also incorporate specific job roles and their National Occupational Standards (NOS) along with broad general education. This would enable the graduates completing B.Voc.to make meaningful participation in accelerating India’s economy by gaining appropriate employment, becoming entrepreneurs and creating a pool of manpower with skills.

Vision

- Empowering Youth through Skill Development

Mission

- Developing skills in specific areas to meet the industrial needs
- Enhancing linkages between higher education and industries
- Serve as a finishing school through modular training programmes
- Promote need based, location specific and protect the traditional and skill and knowledge
- Network with such other centers, universities and colleges offering vocational and skill development programmes
- Undertake and promote R & D in skill development sustainable for employability of youth

National Service Scheme

A team of dedicated disciples and contemporaries of Mahatma Gandhi, Dr. T. S. Soundaram and Dr. G. Ramachandran, established The Gandhigram Rural Institution in 1947. The Gandhigram Rural Institute was created to promote rural development. Today, it has become a nationally and internationally recognized university for its contribution to rural higher education. The NSS (National Service Scheme) Cell in the Gandhigram Rural Institute (Deemed to be University) was started in the academic year 1979-1980. It has organized several programmes to tune the personality of the student volunteers to make them responsible for rural development. The unique feature of NSS in GRI is that all the students studying Diploma, Undergraduate, and Postgraduate (except for one-year programmes) are NSS volunteers. There are 19 NSS units in the GRI NSS Cell. Shramadhan, tree plantation on campus and in the adopted villages and blood donation to the people admitted to the Kasturba Hospital, Gandhigram and Government Hospital, Dindigul are regular features. Other important Regular Programmes organized from April 2023 to March 2024 were the celebrations and observations of the days of National important (NSS day, International yoga day, unity day, Swachhata Pakhawada, Quit India Movement, etc.), personality development programmes for volunteers, rally on social issues, training programmes on disaster management, skill development programmes, implementation of Swach Bharat Mission in GRI, Youth employment skills development programme and awareness programmes on dengue prevention etc. The NSS Cell of GRI has conducted 13 Special Camps during the year 2023-2024. These camps were conducted in the UBA villages of GRI. The detailed list of activities carried out under Regular Programme and Special Camps during the academic year 2023-2024 is presented in this consolidated report.

Panchanatham. In his inaugural address, the Vice-Chancellor emphasized the critical role that educational institutions and students play in promoting a drug-free society. NSS programme coordinator of the Institute Dr. Nagamani, NSS programme officers, Teaching staff, research scholars, and students all came together to support this important cause. In addition to the academic community, Police Constable Mr. Senthikumar from the Ambathurai Police Station also participated in the programme. His presence underscored the importance of law enforcement in the fight against drug abuse and illicit trafficking. The event featured various activities, including informative talks, interactive sessions, and a pledge-taking ceremony, all designed to educate and engage the participants on the dangers of drug abuse and the importance of staying vigilant against illicit drug trafficking. Students and faculty members actively participated, reflecting the strong sense of community and responsibility prevalent in our institution.	40

Shanti Sena

Shanthi Sena, (Peace Corps) in GRI was founded in 1958. Since GRI has always been a testing ground for many Gandhian experiments, the founding father of GRI, Dr G. Ramachandran took upon himself the task of establishing within this institution of higher education a nonkilling alternative to military training – a Shanti Sena. Even when GRI, upon becoming a Deemed University, was presented with the choice to adopt National Cadet Corps (NCC), it chose to continue with Shanti Sena instead. By doing it, GRI became the only educational institution in the whole of the globe to have adopted this model.

Combining spiritual, physical, intellectual, and organizational training, the Shanti Sena prepared students for conflict resolution, security functions, disaster relief, and cooperative community service in response to community needs. The approach is always to work together with villagers to improve such things as childcare, sanitation, housing, and preservation of folk arts traditions. The Shanti Sena in GRI until recently assumed responsibility for campus security. No armed police were permitted on GRI campus or if permitted they used to play second fiddle to Shanthi Sena, even during visits by Indian Prime Ministers Pandit Nehru, Mrs. Indira Gandhi, or Presidents Shri R. Venkatraman, Shri Abdul Kalam and other dignitaries. Besides providing security, when such dignitaries and prominent leaders visit the GRI campus, Shanthi Sena remains at the forefront in according them floral tributes and grand welcome.

The six-decade long experience of Shanthi Sena in GRI includes taking initiatives in peace building, promoting democracy and governance by conducting peace dialogues, inter-religious dialogues, youth exchange programmes, youth camps, leadership training programmes, sports for peace programmes and prohibition (abolition of arrack) in the neighbouring villages. They are actively involved in emergency relief, peace education, environmental conservation and providing community based health facilities in the rural areas nearby.

Every year, many students of the Institute volunteer to become part of Shanthi Sena and carry rich experiences and fond memories with them when passing out from GRI.

GRI Professor Contribution to India's Moon Missions

Celebrating the our country is successful landing of Chandrayaan-3 on the south pole of the moon. The Indian Space Research Organisation (ISRO) has staged its launch in the South side of the Moon. As part of the above mission, a team of scientists worked on a Research Project in the Lunar Soil Preparation to test the smooth landing of the Vikram Lander on the surfaces of the moon by sending 50 tones of Lunar Soil stimulants (Anorthosite) from the Kunnamalai, Sittampundi and Ramadevam villages of Namakkal District, Tamil Nadu. The Gandhigram Rural Institute (GRI) is proud of its contribution as its Geologist Dr. S. Arivazhagan, an Assistant Professor in the Department of Applied Geology, GRI served as part of the above team as a Research Associate in the project. Dr. S. Arivazhagan was part of the preparation, supervision, quality control, packing and transportation of the soil stimulants for the above said project sanctioned by the ISRO, Bengaluru. He was instrumental in collaborating and processing the Chandrayaan 1 and 2 data for the project work towards the chronological, topographical and mineralogical characterization of the selected lunar mare basins with the financial support laid by ISRO. He joined in GRI as Assistant Professor in the year 2015. Earlier he had served as Research Associate in Periyar University, Salem and PLANEX, Physical Research Laboratory, Ahmedabad for his Ph.D., and Post Doctoral Research works respectively. He is part of the Group Patent "A Method for Manufacture of Highland Lunar Soil Simulant" awarded for the above work. In continuation of the above research work, Dr. S. Arivazhagan has successfully completed his Research Projects "Hyperspectral Remote Sensing Study of Sittampundi Anorthosite Complex, India" sanctioned by International Association of Mathematical Geology, USA, with a grant of \$1,000, "An Imaging Spectroscopic Perspective Study of Ultramafic- Mafic Complexes and their Associated Mineral Resources in South India" sanctioned by the Department of Science and Technology, New Delhi for the total amount of Rs.15,40,000. He has also completed Two Major Research Projects "Remote Geochemical and Mineralogical Analysis of Surface of Mars with Mars Orbiter Mission Data" and "Lithological and Chronological Characterization of Selected Lunar Mare Regions using Lunar Hyperspectral data" both sanctioned by Space Application Centre, ISRO, Ahmedabad for the tune of 37 Lakhs. Currently he is doing a Research Project on "New Insights into Lithological Distribution of Selected Lunar Mareregions using Chandrayaan- 2 data: Implications for Lunar Magmatism" sponsored by ISRO, Bengaluru for the tune of 23 Lakhs. Dr. S. Arivazhagan, has published 35 Research Articles in the referred international journals and guided two Research Scholars towards Ph.D., and two more scholars are doing Ph.D., research under his guidance. Discussion on Indian Standard (Manak Manthan)

Bureau of Indian Standards, Madurai as a part of Standards Promotion Activity conducted Manak Manthan – Discussion on Indian Standard IS 17913:2022 “Yoga Centre - Service Requirements” at The Gandhigram Rural Institute (DTBU), Gandhigram, Dindigul on 24 November 2023. The meeting was held in hybrid mode and 35 Yoga professionals, Members of Dindigul District Yoga association, Directors of Yoga centre, Yoga Teachers, Professors & Students of Yoga discipline from Gandhigram Rural Institute & Brahmakumaris participated in the discussion. Yoga is a system of holistic living, having the roots in Indian tradition and culture. Although, it is a spiritual tradition, the techniques of Yoga are being widely used for meeting the changing healthcare needs and wellness of mankind in present scenario. Therefore, Yoga has attracted global attention in recent years. The awareness about yogic practices is increasing among people from different walks of life, not only for promotion of health and wellness but also for the management of various diseases and disorders. Many Yoga experts and medical professionals have been advocating yogic lifestyle for the prevention and management of stress induced, psychosomatic and lifestyle related disorders. It is felt that the Yoga facility should be propagated at a mass level adhering to the classical knowledge, so that people can derive maximum benefits. There are several Yoga centres functioning in the country at their own styles and patterns. With the increasing popularity of Yoga learning among the people, an Indian Standard for Yoga centres which forms the benchmark for services being provided has become inevitable. BIS has formulated this Indian Standard to guide these Yoga Centres to the minimum requirements to be included in the centres. Shri S. D. Dayanand, Senior Director and Head, Bureau of India Standards, Madurai presented the welcome address and explained the program objectives. He informed the participants about the Sustainable Development Goals and Indian Standards being developed keeping in mind these Goals. He invited the participants to give their comments on the Indian Standard. Dr. L. Rathakrishnan, Registrar i/c, The Gandhigram Rural Institute, Dindigul delivered the Keynote address and shed light on the broader implications of the standards in the context of wellbeing and societal health. Dr. R. Mani, Dean In-charge, School of Social Sciences, The Gandhigram Rural Institute, Dr. C. Sugumar, Director of Physical Education and Yoga Centre, The Gandhigram Rural Institute and Dr. T. Ravichandran, Assistant Professor, The Gandhigram Rural Institute also honoured the occasion. An in-depth presentation on the salient features of IS 17913:2022 was presented by Smt. Hemalatha P Panicker, Joint Director, BIS, Madurai, and Shri D. Santhosh, Deputy Director of BIS, New Delhi. Their expertise guided through the intricacies of the standards and their practical implications. After the presentation a detailed open house discussion was held and queries regarding the standards were clarified. Participants were also requested to send comments and technical queries related to the Indian Standard towards

improvement of the Indian Standard. During open House discussions, Shri S. K. Kanogia, Senior Director & Head, Service Sector Department clarified the queries of the participants. He further informed that BIS can also consider certification of Yoga Centres if sufficient queries are generated. He however appealed to Yoga Centres to follow the requirements specified in this Standard. Smt. Hemalatha P Panicker, Joint Director, BIS, Madurai delivered the vote of thanks.

Unnat Bharat Abhiyan

“If we have to build the nation, we have to start from the village”
- Hon’ble Prime Minister Narendra Modi

Unnat Bharat Abhiyan is the flagship programme of the Ministry of Education with the intention to enrich rural India. The programme was formally launched by the Minister of Human Resource Development (MHRD) in the presence of President of India on 11th November, 2014. Unnat Bharat Abhiyan 2.0 was launched by Shri Prakash Javadekar on 25th April 2018. The Vision and Mission of UBA are as follows:

Vision

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India.

Mission

The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India. The Gandhigram Rural Institute formally submitted its application as one of the participating institutes under UBA in March 2018. Initially nine hamlets where GRI crèches are functioning were mentioned as adopted villages of UBA. In order to have a cluster approach and for easy accessibility, five panchayats in Athoor block surrounding Gandhigram were selected as UBA adopted villages from January 2023. All the UBA programmes were planned and organized in these panchayats.

Activities of GRI - RCI related to Involvement of Faculty and Students of GRI in UBA

GRI (DTBU) serves as both a PI and RCI under UBA. The core group consists of eleven faculty members selected from various Departments of GRI, all extensively trained in community engagement.

Capacity Building: GRI - RCI trained faculty members and student volunteers in community engagement. Also, faculty members are trained and supported to get funding support under Government schemes and programmes and work along with the Coordinators of other PIs for community engagement.

Establishment of Incubator: A five-member faculty team from UBA initiated a Startup Project with an incubator focused on "Production of Seaweed-Based Plant Growth Promoters, Biopesticides, and Edible Coating Blends," aimed at supporting the livelihood development of Fisher folk with the support of NCDC under the PMMSY scheme with a budget of Rs. 50 lakhs, is being implemented with the assistance of 16 PIs in Southern Tamil Nadu.

UBA- SEG Projects: During 2023-24, GRI -UBA team secured two UBA - SEG Projects, with two additional SEG Projects receiving approval.

New Project Proposal submission: Another five-member UBA faculty team submitted a Project Proposal for tribal development to THADCO, Government of Tamil Nadu.

Furthermore, two project proposals have been submitted to SIRDPR for the livelihood development of rural youth in Dindigul District.

A Partnership Meeting was convened on September 13, 2023, with CSIR - CIMAP, Lucknow, involving the UBA Faculty Team and Research Scholars to introduce CIMAP technologies to UBA villages.

GPDP Preparation under RRGSA: A team of ten faculty members and 55 student volunteers are engaged in providing handholding support to eleven Gram Panchayats in the preparation and implementation of GPDP in Author Block, Dindigul District with funding support of SIRD&PR under RRGSA.

Providing handholding support for preparation and implementation of GPDPs

(An Initiative of GRI - RCI with the support of SIRD & PR under RRGSA)

About the Innovative Initiative: Forty seven Coordinators have been selected for providing handholding support in the preparation and implementation of 150 GPDPs in Southern Tamil Nadu. Coordinators have been trained on the methodologies of GPDP through two workshops viz., (1) Stakeholder Consultative Workshop on Handholding Support to Village Panchayats on Preparation and Implementation of VPDP held at SIRDPR, Maraimalainagar (25-26.11.2023), and (2) 'Empowering UBA Institutions Coordinators: Workshop to Identify Low -cost / No-Cost Strategies for Sustainable Gram Panchayat Development' (15.2.2024). Also, SIRDPR extended financial support @ Rs.20,000 per Gram Panchayat for the PIs to involve them in the preparation of GPDP for the year 2024-25. The SIRDPR released the first installment of the grant to PIs (Proceedings of Director, SIRDPR, Maraimalainagar (1) No.1307/CLWE/ 2022/ dt.8.1.2024 (2) No.1307/CLWE/2022/ dt. 01.2024)

Outcome:

This support facilitated the PIs:

- To include PIs' development activities in the GPDP, which is approved by Gram Panchayats.
- UBA PIs' activities will be focused towards the LSDGs.
- UBA PIs could able to source the resource potential in their institution to join this programme.
- For each identified Gram Panchayat one Faculty Member and a minimum of Five student volunteers under UBA will be involved in this process for the next one year.
- Gram Panchayat will implement the GPDP with the handholding support of UBA PIs.

Organizing Entrepreneurship Awareness Programmes

Programme Background: RCI, GRI collaborated with Government Agencies and organized nine Entrepreneurship Awareness Programmes at Gram Panchayat level with the active support of PIs (Table - 1) Some of the Programmes were organized at the campus of PIs and the villagers were invited for the programme. The focus of these programmes were to chart

the path for implementing Government Schemes especially the schemes of Ministry of Micro, Small and Medium Enterprises, Government of India to promote rural entrepreneurs and enterprises in UBA Gram Panchayats. During these programmes detailed discussions on various aspects of employment generation at Gram Panchayat level and access to finance for promoting rural enterprises were explained by the bankers, officials of Government Departments and the officials of MSME and KVIC. The outcome of these programmes was that 883 rural youth, women and students volunteers could able to identify the sources for financial support for expanding existing businesses, promoting new businesses, and promoting group enterprises. In Kalikkampatty Panchayat in Dindigul District twenty-five villagers did their Udyam registration with the support of officials of MSME. These programmes stimulated the young minds and villagers (1) to take up entrepreneurial activities in non-farm sector, (2) informed in them about entrepreneurial opportunities and (3) the support of Government schemes for MSME development.
